ant to Danielson activ a engaged in production. Without doubt many will have decided what their course is to be by Thursday night.

Thursday night.

Encearaging reports came Monday afternoon from Mrs. J. E. Milner, seriously inforced with the committee this committee can only represent the first preferred stockholders in any negotiations it may carry on in behalf of the stockholders.

As has been previously pointed out, the creditors' agreement with the mill company expires August 15, and if the lustiness of the concern is to be kept going allow of the stockholders.

cided that, having obtained all the information that Mr. Bullard was in a position to give them, that the stockholders meet again Thursday evening at 3 o'clock and decide as to depositing their holdings of stock.

It was estimated Monday afternoon by one in close touch with the affairs of the mill company that second preferred stock are defined as 2200,000 and possibly as much as \$220,000 is held in Danielson and immediate adjoining territory. Mr. Bullard stated to Monday's meeting that he personally holds 150 shares of the second preferred stock.
